## HAVING TROUBLE WITH HEALTH INSURANCE? PRESCRIPTIONS?

We have an Interim **Health Care Facilitator** on campus available to help you:  
*Kwame White*, (949) 824-9264, [whitek@uci.edu](mailto:whitek@uci.edu).

Here are a few things to do *before* contacting him:

- ◆ **Contact your doctor's office.** One of your most important relationships is the one you have with your doctor or other health care professional.
- ◆ **Contact your medical group.** If you are in an HMO such as Kaiser or HealthNet, contact your medical group. Most medical groups have patient assistance departments that can help you find a doctor, resolve billing problems, or obtain referrals for services.
- ◆ **Contact your health plan.** Your health plan has customer service representatives who can answer your questions regarding the plan's benefits.

***If you still need help, contact your Health Care Facilitator.***
