### HIKE February 9

**Laguna Coast Wilderness Park** - (9:00 am at trailhead)

Laurel to Bommer to Willow Canyon
This hike goes from the bottom of Laguna Canyon to the ridge top of Bommer Canyon and adds Lizard Trail and part of Bommer Ridge to our 2015 hike to make a 5.5 mile loop. Usually well maintained, but with a challenging incline and a few rutted, rocky sections.

*Take Laguna Canyon Road south about 1/4 mile past the El Toro Road intersection. The Willow Canyon parking lot is on the right side. Meet in the parking lot. There is a $3 parking fee payable at a machine.*

### BIKE February 22

**Newport Back Bay Loop** - (9:00 am at Vista Point trailhead)

We will ride the Back Bay trail past Newport Dunes to PCH, then make a right turn on Dover and enter the path to Castaways Park for scenic views of the Newport Back Bay and Harbor. From Castaways we will enter a residential area and connect to the Bay View bike trail. There will be two (2) options to finish the ride at this point. This ride is geared towards intermediate cyclists. **Helmets required on all rides.** Riders are responsible for carrying their own water, snacks, and spare tubes.

*Meet at the Vista Point trailhead of the Back Bay Loop trail (near the corner of Jamboree Rd & East Bluff).*
