HIKE July 11

Chapparosa Park to Salt Creek Beach - (9:00 am at trailhead)

We are extending our annual hike to Salt Creek Beach by starting at Chapparosa Park. Total mileage will be approximately 7.5 miles. Both paved and packed earth, this hike on an undulating trail climbs a total of about 525 feet. We'll enjoy some great scenery and, of course, cool breezes at the beach. The hike is fairly easy - limited only by your willingness to 'go the distance'. This is always one of our most popular hikes. Hikers are responsible for bringing their own water, sunscreen, hat, and snacks.
