In coordination with CER, Regents Point is pleased to offer UCI faculty, staff, emeriti and retirees a 50% discount on the entrance fee—the up-front cost to secure residency in the community. The cost savings are significant—anywhere from \$47,500 to \$275,000 on a non-refundable plan and \$76,000 to \$467,500 on a 75% refundable plan, depending on your choice of residence (one-bedroom, two-bedroom or villa). ### **Health Net Seniority Plus : Exciting Change With Our UC Irvine Medical Group Providers!**

In prior years Health Net (HN) Seniority Plus was not an option for our Medicare-coordinated retirees who wished to stay with UCI Physicians and Surgeons medical group which did not accept this coverage. In 2015, there is a newly established UC Irvine Health medical group with locations in Tustin and Orange and 13 new primary care physicians (through a separate Memorial Care Medical Group contract). With the addition of these new providers, retirees with HN Seniority Plus will have full access to UCI specialists under the new UC Irvine e Health medical group.
