Upcoming Events

June 9th — UCI Emeriti Association Annual Meeting/Lecture: *Democracy in Peril: Global and Local Perspectives*, with Spencer Olin,

Professor Emeritus, History.

10:00 a.m. at the University Club in the Samuel McCulloch Library Room. **Light refreshments provided. Optional lunch to follow.**

Professor Olin will discuss the UC system's long-standing tradition of faculty democracy called "shared governance." Explore the possible relevance of shared governance to a decline of democracy at the global level, where a "democratic atrophy" appears to be occurring. If we cannot effectively practice democracy "locally" in leading institutions of higher education, can we reasonably expect democracy to prevail "globally"? RSVP: emeriti@uci.edu

June 10th — Salt Creek Beach to Ritz Carlton Hotel in Laguna Niguel Hike

Meet at 9:45 a.m. at Gelson's Market located on Crown Valley Parkway and PCH. Easy parking. The start of the trail is behind Gelson's Market on the left. The trail is paved with beautiful beach views. The Ritz Carlton is above the Salt Creek Beach so we will need to walk up STAIRS to see the views from the Hotel.

Optional lunch and/or coffee options at the Hotel.

June 11th— 5th Annual Stanley van den Noort Lecture with Dr. Joseph Jankovic on *The Comprehensive Approach to the Treatment of Parkinson's Disease*.

Presented by the Department of Neurology, this event was established in 2011 to honor the memory of Stanley van den Noort, MD, a pioneer in Multiple Sclerosis education, research and patient care. He personally touched the lives of many during his nearly 40-year association with UC Irvine and played an integral role in helping the school become a nationally ranked and respected institution.

Dr. Joseph Jankovic is professor of Neurology, Distinguished Chair in Movement Disorders and director of the Parkinson's Disease Center and Movement Disorders Clinic, Baylor College of Medicine. Please join us for a Wine and Cheese Reception from 5 to 6 p.m. Lecture starts promptly at 6 p.m. Kindly RSVP to Afarin Tehrani at astehran@uci.edu or 714-456-7352.

UC Irvine 50th Anniversary Events

May 5th we held our Annual Reception Honoring All Emeriti and Retirees with Chancellor Gillman as our keynote speaker and celebrated all who “came for the adventure and stayed to make history” from the first years of UCI. Far below is one of the Founders photographs taken that evening.

We will keep you updated as additional 50th Anniversary events are coordinated. Here are a few in the works:

- September 28th, the School of Physical Sciences is planning four events to include a brunch in the morning featuring founding faculty, a dedication of the Fred Reines Exhibit in the afternoon and a panel on the future of Math later that day. More information will follow.

- September 30th the campus is planning a day especially for founding faculty and staff. Details are still being ironed out but we have heard mention of a VIP booth. Again, we will keep you updated.
