Night at the Barclay Theatre Saturday, February 2 at 8pm

THE 7 Fingers

Through a unique, riveting mix of theatre, circus, dance, music and acrobatics, Reversible is dedicated to a generation who forged the world that we live in today and whose stories might hold the key to a better tomorrow. Our elders lived in a simpler era when time moved at a less rapid pace. This time in history inspired poetry, imagination, passion and staggering virtuosity.

With the 7 Fingers' Reversible, be prepared for the best in contemporary circus-- moments of pure grace yielding to rushes of adrenalin, as a cast of multi-talented performers travel through time and space. Be part of a vibrant journey that will give you goose bumps: peek through the key hole at a Reversible world where everyday life is turned upside down into new spectacular universes filled with beauty, emotion and hope.

Tickets: \$35 - \$60
