Registration made easy! Access the form using this QR code.

About the UCI Health Gavin Herbert Eye Institute
The UCI Health Gavin Herbert Eye Institute is home to internationally respected ophthalmologists who provide the highest quality eye care for conditions that range from mild myopia to rare retinal and ocular disorders.

Our team includes pioneers in the development and use of ophthalmic lasers and refractive surgery techniques. Their work has formed the foundations of LASIK surgery, the development of the blade-less IntraLase™ laser and the most advanced techniques for corneal transplants and intraocular lens implants. Many of our experts appear regularly on the Best Doctors in America® list, a peer-reviewed survey that represents the top 5 percent of specialists in the nation.

About UCI Health
UCI Health offers the most innovative and complete care to the people of Orange County and beyond. Our expert physicians and world-class specialists collaborate to give you seamless healthcare at our locations throughout the region. Our physicians are passionate about keeping you healthy and preventing disease.

Patients with complex medical conditions benefit from immediate access to our leading-edge specialists and a nationally-recognized cancer center. UCI Health physicians, who train the doctors of tomorrow, consistently provide a higher level of care not readily available at community hospitals.

Contact us for appointments: 949-824-2020.
